

Bartow Animal Clinic's pet preventative healthcare plans are affordable, packages that include a complete array of preventive care services. From unlimited office visits, dental services, and substantial discounts on other veterinary procedures. All of the plans offered through Bartow Animal Clinic carry a low monthly payment designed to help you avoid significant veterinary expenses.

Proactive care provided by our healthcare plans is designed to detect problems early before significant illness occurs.

It requires close attention to detail, and encompasses everything you can do right for your pet.

- 1) *Prevent disease.*
- 2) *Detect irregularities before they lead to advanced disease and expensive treatment.*
- 3) *Schedule checkups and procedures at the proper times - all while eliminating unnecessary veterinary expenses.*

## Enrollment Made Easy

With convenient *low* monthly payments. Consult one of our team members to help determine which of our wellness plans is right for your pet. Our plans provide the affordable health care your pet deserves with convenient monthly installments.

## About the Plans

Thorough Physical & Dental Preventative Health Care Plans are a simple, cost effective means of helping ensure a happy & healthy pet for many years to come. Pets age much more quickly than we do. They are also very good at hiding their illnesses. Your pet will receive early detection of disease/illness through diagnostic tests and unlimited comprehensive examinations as well as diet and behavioral consultation.
